

belt loops aka carriers

loops and straps

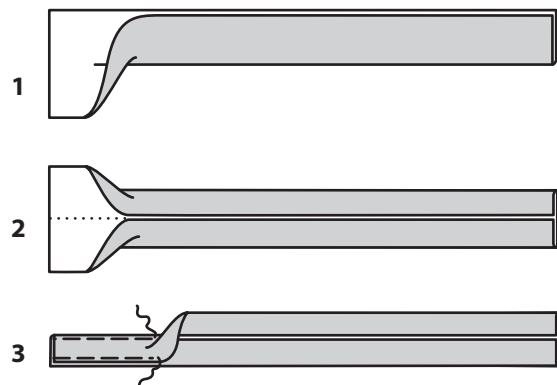

RIGHT SIDE
OF FABRIC

BACK SIDE
OF FABRIC

TECHNIQUE ONE – FOR LOOPS

1. Fold belt loop in half, lengthwise with WRONG sides together. Press.
2. Open out long edges of belt loop and turn them to WRONG side so that they meet at the crease. Press.
3. Fold belt loop in half lengthwise, bringing pressed edges together. Stitch close to both long edges.
4. Cut belt loop and apply as instructed in Sewing Directions.

TECHNIQUE TWO – FOR STRAPS

1. Press under $\frac{1}{4}$ " (6mm) on one end of belt loop. Fold belt loop in half, lengthwise with WRONG sides together. Press.
2. Open out long edges of belt loop and turn them to WRONG side so that they meet at the crease. Press.
3. Fold belt loop in half lengthwise, bringing pressed edges together. Stitch close to both long edges and pressed end.
4. Apply as instructed in Sewing Directions.
